INTERVIEW SUMMARY RECORD

Sir:

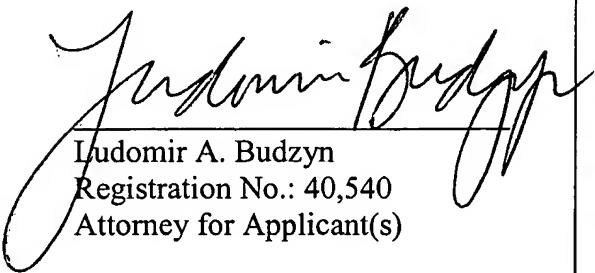

This is to memorialize a telephone conference between the undersigned and Examiner  
Manuel A. Mendez.

As discussed during the telephone conference, an Office Action was issued on July 19, 2004 with regards to the subject application. A separate, second Office Action was issued on August 11, 2004 also for the subject application. The Examiner indicated that the July 19, 2004 Office Action should be disregarded and only the August 11, 2004 is outstanding. Accordingly, Applicants are treating the July 19, 2004 Office Action as being withdrawn and will be considering filing a response to the August 11, 2004 Office Action.
